

8th November 2018

Re: Primary After School Clubs (Wednesdays & Fridays) – Autumn Term 2

Dear Parents/Carers

We are pleased to announce that we will be running several after school clubs for Primary this half term. There will be a charge incurred to parents/carers for most of our clubs as they will be run by external providers and supported by our staff. This will help to reduce overall costs but a nominal charge will be required for equipment and resources. Homework club is free of charge.

Starting next week, the clubs will take place from **3:15 – 4:15pm on Wednesdays and Fridays**. Please see attached, information of the after school clubs that have been arranged for this half term.

If your child is interested in joining a club(s), could you please indicate on the sign up form attached and return it to your child's class teacher **no later than Monday 12th November 2018**. Please note if you have more than one child in Primary, a separate sign up form will need to be completed per child. Please select one choice for Wednesday and/or Friday.

There are only limited number of spaces available for each club and these places will be allocated on a **first come, first serve basis**.

Please note, your child will need to be collected promptly at **4:15pm** from the main playground gate once their club has finished. If your child usually travels on the school bus service, you will need to make arrangements to collect your child from school. Failure to collect your child on time could result in them losing their place in the club and a charge could be incurred.

Please do not send any payment at this stage as we will inform you by letter if your child has secured a place on their chosen club(s) by the end of school on Monday 12th November 2018. You will then be provided further information of your child's chosen club(s) with the relevant registration form(s). Please kindly **complete and return by Tuesday 13th November 2018**.

Payment must be made no later than Friday 16th November 2018 when you have a place confirmed. Full payment for this half term's sessions will be required in advance via Parent Pay. Failure to pay the fee stated on time could result in the loss of your child's place at the club.

Please note, if your child is absent through sickness or for any other reason, the money cannot be refunded. If you no longer require a place at the club, please notify the School Office, providing at least two weeks notice in advance.

The school has worked extremely hard to organise after school provision which we hope our pupils will show an eagerness to participate in.

Yours faithfully

Seva School

INFORMATION ABOUT THE CLUBS

Games Club: Reception to Year 2 (Wednesdays) – led by Mr De Feo & Mrs Bhachu (20 spaces)
Years 3 to 6 (Wednesdays) – led by Mrs Kilner (20 spaces)

A range of exciting board games can teach important social skills, such as communicating verbally, sharing, waiting, taking turns, playing by the rules and enjoying interaction with others.

Board games can foster the ability to focus, and lengthen your child's attention span by encouraging the completion of an exciting, enjoyable game. Even simple board games like Snakes and Ladders offer meta-messages and life skills: Your luck can change in an instant — for the better or for the worse. The message inherent in board games is: Never give up. Just when you feel despondent, you might hit the jackpot and ascend up high, if you stay in the game for just a few more moves.

Games club will allow pupils the opportunity to become more self-confident and ambitious and to enjoy playing with others. Other games such as puzzles and Lego will also be made available.

Tang Soo Do (Korean Martial Arts): Years 3 to 6 (Wednesdays) – led by external provider, Mr Charlie Boreland (2nd Dan Instructor) (20 spaces)

Tang Soo Do is a Korean martial art which teaches empty hand and foot fighting, patterns, self-defence and weapons. Tang Soo Do also teaches people to live a healthy and harmonious life whilst teaching students the core pillars of respect, obedience, humility and friendship. This ancient martial art traces its lineage back 2,000 years to the Korean peninsula.

Benefits of Tang Soo Do People join our Association for many different reasons: self-defence, fitness, stamina, friendship and confidence. Benefits that you can reap from Tang Soo Do will depend on you as an individual. Benefits for children are wide ranging, but importantly include key attributes such as respect, obedience, team work and leadership.

For more information
visit: www.cwtsda.co.uk or email: covtsda@hotmail.com

Create Club: Years 1 to 6 (Fridays) – led by external provider, Vicky Whitwell (15 spaces)

This is a fun, educational arts and crafts club where we bring all the resources and provide a wealth of fun, hands-on creative activities to inspire the pupils' imagination and nurture their creativity and potential.

Each term covers a different exciting theme with a wide range of different hands-on fun activities every week.

- The Art of science
- Awesome artists
- Out of this world
- Inspired by me
- Art-tastic nature
- Around the world

For further information please visit: <https://www.thecreationstation.co.uk>

Homework Club: Years 1 to 6 (Fridays) – led by Mrs Samra & Mrs Mann/Miss Gill (20 spaces)

Homework club is a place where our children are able to complete and discuss homework in a calm and supportive environment. It enables them to have the support of our teaching assistants should they require it in completing tasks or finding resources and also a chance to discuss the homework in a smaller setting. This includes the use of ICT facilities and all of the books in the library.

Sewing Club: Years 3 to 6 (Fridays) – led by Mrs Heer & Miss Bains (15 spaces)

Children will have the opportunity to get creative and learn new skills including threading a needle, tying a knot in the thread, together with lots of new stitches including back stitch and cross stitch. Children will work on different projects using a range of materials to make lots of different things such as decorations, bookmarks, finger/hand puppets etc. They will get the opportunity to take the end product home with them.
