

Seva Do SATS

Last week year 6's were doing their SATS and Year 2's are this week and we hope everything goes well. We're now waiting for the results. Some Year 6 students would like to comment on how they think their SATS went:

Gursimran – "It was good and easy but not worrying."

Arashpal – "There was nothing to be worried about."

Ashleen – "At first I was nervous but after the first test everything was fine."

Gurjot - "They were easy."

Jagveer- "They weren't hard."

Gurneev – "You shouldn't worry."

Paavun – "They went really well."

Mya- "They are easier than you think."

To celebrate all of the hard work we have put in leading up to our SATS, on Monday 21st May our amazing teachers treated Year 6 to an afternoon of bowling. We all had a really good time and want to thank the teachers for believing in us!

Royal Wedding Celebrations

On Friday 19th May the whole school came in dressed to impress in celebration of Prince Harry and Meghan Markle's royal wedding. Each class took part in different activities throughout the day and we even got to tuck into a delicious union jack cake made by our wonderful teachers. Reception also had a royal tea party to mark this joyous occasion and they all looked great dressed up in their royal attire.

New Awards

In Seva School we have a new award called the attendance award. This means each week in Friday's assembly one class per year group will be chosen to keep the attendance teddy for one week.

The winning classes for last week were:

6G - 5RT - 4AG - 3MW - 2KT - 1GC

We will find out the winning class for the last week of term in the next term. I wonder which class will win next time.
