Year 6, Arjun & Jaslene

Year 4 English

In year 4 we are learning about a Japanese story called The Willow Pattern. It was a really interesting story as it was packed full of lots of different characters. The theme of this story was romance as it's about two people who loved each other but they weren't allowed to be together. After reading the story we got to write our own version in our books. I really enjoyed listening to the teacher read this book to us.

Year 1 English

We are learning about a story in English called The Lighthouse Keeper's Lunch. It's a very funny story as he never gets to eat his yummy lunch prepared by his wife every day because the seagulls steal it. The Lighthouse keeper and his wife make a plan each day but the seagulls always manage to take the lunch. Until one day, the lighthouse keeper's wife decided to put some mustard in the sandwiches and the seagulls hated it. The mean seagulls had to find lunch elsewhere on some poor man's boat. Year 1 really enjoyed listening to this story, it made us laugh! We even got to write our own version of the story which we had planned ourselves.
