

21st December 2018

Dear Parents/Carers

We are writing to update you with developments on the issues concerning the re-brokerage of Seva School with a Multi Academy Trust (MAT).

On the 11th December we confirmed that the Secretary of State wishes to further consider the detailed representations made by the Trust and other key stakeholders. Therefore to accommodate this the Secretary of State had confirmed a target date of 1st March 2019 to decide which Multi Academy Trust (MAT) Seva School will be re-brokered with.

Since this update we have sought to gain clarity on the consultation process and timeline. We can confirm that we will have clarity in the New Year on what the consultation process will entail.

We raised concerns that the timeline was very tight to allow for a fair and legally binding consultation process. We can confirm that the Secretary of State has now confirmed a target date of 1st April 2019 to decide which Multi Academy Trust (MAT) Seva School will be re-brokered with.

May you all have a well-rested and enjoyable Christmas break and a Happy New Year.

Yours faithfully

Board of Trustees
Sevak Education Trust
