

Welcome

Here we are at the end of another busy half term. We will see more daylight and be marching toward spring when we return on Monday 22nd February.

Celebration

This afternoon 6 students who gained the most e-praise points will have tea with the Leadership Team and some governors. They are excited by this and we are very proud of their achievements.

No child under 16 should have a whats app or instagram account. Look out for music.ly on your child's phone as this is being used as chat room.

KS3 Curriculum and Progress

Currently the team are working hard to implement 'Doddle' to ensure our assessment and progress are robust in the transition into life after levels.

Accordingly, we would like to invite parents to a Doddle launch evening on Tuesday 15th March, more details about this will be in the next edition of the Seva Standard.
