

Seva School - Homework

Summer 1st half-term theme is: Raging Rivers

Year and Classes: 3KB and 3MW

Information for parents/carers: Each week your child will be expected to pick **one** challenge from the three given in each subject area below. This half term is six weeks long, so over the course of the half term your child will be expected to have completed six challenges altogether and these must be one from each subject area. Each week, homework books will be expected in school on Wednesday morning and they will be marked and returned on Friday. If your child forgets their book or is absent, the homework book will be marked the following Wednesday. If you have any questions regarding the homework, please speak to your child's class teacher for further information and support. Thank you.

Subject	Challenge 1	Challenge 2	Challenge 3
English:	<u>L.O: know antonyms</u> An antonym is a word which has the opposite meaning. Write the antonyms for these words: far, ended, yell, curved, enemy, up Can you think of your own examples?	<u>L.O: write a poem</u> Write a poem about a river or a sea creature. It could be a shape poem (calligram) or an acrostic poem.	<u>L.O: write a poem</u> Write a poem about a river or a sea creature. It could be a shape poem (calligram), an acrostic poem or a kenning.
Maths:	<u>L.O: compare and order lengths</u> Find the lengths of the world's 5 longest rivers. Write the lengths in order from shortest to longest.	<u>L.O: create symmetrical designs</u> At a river's estuary, people enjoy sailing. Draw your own symmetrical designs for boat sails.	<u>L.O: create word problems</u> Create 5 word problems based on a river theme. They can be one or two step problems, using any operation you chose. Remember to include the answers!
Science:	<u>L.O: know what humans need to be healthy</u> List all of the things that humans need to be healthy and explain why each one is important.	<u>L.O: know what humans need to be healthy</u> Think about what a balanced diet should include. Design your own healthy and balanced meal. Label the foods you have included and explain why.	<u>L.O: know what humans need to be healthy</u> Create a leaflet to explain the importance of being healthy. Include information about a balanced diet and the main food groups, also think about the importance of exercise, getting enough sleep and drinking enough water.
RE:	<u>L.O: compare places of worship</u> Compare a Sikh place of worship to that of another religion. Think about any similarities and differences.	<u>L.O: compare religions</u> Describe ways in which Christians show their faith, e.g. worship, hymns and modern worship songs. Compare this to a different religion of your choice.	<u>L.O: compare religions</u> Find out about two prayers of your choice (from different religions). What do you think the main messages are? How are they similar? How are they different?
Geography:	<u>L.O: know the features of rivers</u> Write a list of different features of rivers. E.g. rapids, waterfalls etc.	<u>L.O: use maps and atlases</u> Label the longest river in each continent on a map of the world.	<u>L.O: recall facts about rivers</u> Produce a fact file on 3 world rivers (this could be a PowerPoint). Include as many interesting facts as you can.
Art:	<u>L.O: create artwork in the style of an artist</u> Draw or paint a picture of a river scene. You could use water colours or try a different style of painting e.g. pointillism.	<u>L.O: compare artwork</u> Compare two different river scenes by the artist Claude Monet. Explain which you prefer and why? What colours and objects can you see in the paintings? Ask your teacher for a copy of the two pictures.	<u>L.O: create artwork using a range of materials</u> Create a collage using recycled materials of something to do with a river e.g. a waterfall, river creature or river scene.
