Week beg. 25 th January	98%	96.2%	none

The last 2 weeks have gone very quickly and I know many staff and students have come in to school despite very seasonal ailments. Once we get into February we should start to see more daylight, this always helps. At Seva we continue to welcome new students into Year 7, they all settle well and enjoy life at School

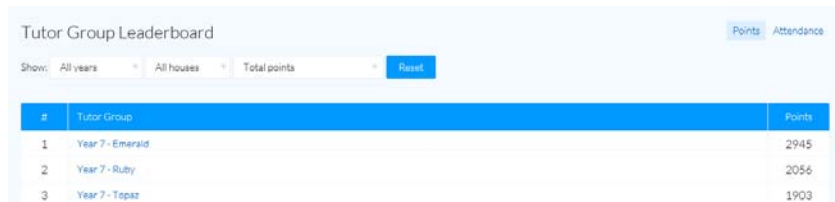

Progress evening

Thank you to all parents who have attended the two progress evenings. It was good to meet so many of you. If you were unable to attend we will be contacting you to ask you to come in and meet us in the next two weeks.

E Safety

A number of parents requested E Safety training this has been arranged for **Monday 8th February** starting at **4:15**. If you would like to attend please feel free to join us.

This is working well, an excellent response from students.

The Executive Principal's offer of producing a business plan to spend £500 in improving the school environment received a lot of response. The afternoon tea with the leadership team for the 'league leaders' will take place on 12th February 2016.

The students will be asking you to sign the **ICT Acceptable Use Policy**, please read it through and discuss at home.

Leadership

Short listing and interviews will take place this week for: Head Girl, Deputy Head Girl and Deputy Head Boy. The results will be announced in Assembly next week. All of those who put themselves forward have been through a rigorous process. The students rose to the occasion and I could have appointed them all. I am very proud of them.

Numeracy

If students are to be successful at Numeracy and Maths they need a good grasp of tables. With this in mind "The Tables League" will start led by teachers. Students will be tested each week on

their tables and this will be recorded and rewarded. We will identify “Table Gaps “and write these in planners. Please can you as parents help your child to learn them, and become efficient?

Punjabi Class

The offer of an after school Punjabi class activity is starting, letters were sent out with reply slips. Please complete and hand into the office

Football team

The boys’ football team is a little closer. The kit has been sponsored, the details of which and where are being confirmed. It is hoped this will be after half term.

Staffing

Today we have said good bye and good luck to Mr Ciaron who has been doing an excellent job teaching Spanish but has also worked with the students across the school. He is returning to his native Spain to take on new challenges. We wish him well.

We are currently interviewing for a replacement. More details next edition!

Football Cards

‘Match attack’ cards are not to be brought into school as some students have been passing them on to younger children and they have also contributed to pupils arriving late to lessons and so disrupting learning

And finally from the students

- Progress 2 was great for Seva students.
- Exciting news for students at Seva as new student roles will be appointed and we will find out next week who that is.
- Best wishes for Mr Ciaron’s future. We wish you good luck and adios.
