We are well into the Spring Term and new students and staff and staff are working hard to maximise progress.

Epraise

The February Half Term “Readathon” was well received and many students completed the book review challenge in our February Frenzy.

In addition, students are working hard towards doubling their epraise points in order to have a non-uniform day at the end of term .

Students can also earn badges for attaining epraise points milestones; each time swapping badges for a new colour until they reach a gold star.

Governor Visit

On Thursday 1st March two of our Governors came into school to drop in on some learning and talk to some students. They were impressed with what they saw.

Reading

We are doing a lot in school to support reading, we hope you are also encouraging reading at home. Studies suggest that a child’s writing significantly improves if they are an avid reader.

1:1 Tutorials

Students will begin a programme of 1:1 tutorials next week during enrichment .The key purpose will be to discuss progress and to set short term targets. Students will be issued with a progress file which we will share with parents.

There will be more details about this during the Doodle Curriculum evening.

E safety

The previous esafety incident was investigated and has now been resolved. I would ask you to remain vigilant and continue to talk to your children about the responsibilities linked with social media. We will continue to educate students in school.
