Executive Principal's Message

Dear Parents/ Carers

It has been an eventful 2 weeks at Seva. Most notably our Year 2 Children working admirably this week to achieve their very best. Well done to all pupils behaving impeccably throughout the tests.

Another proud moment for the school was seeing our confident year 7 students presenting to our parents and families on effective revision techniques. A big thank you to everyone who supported this evening and we look forward to some excellent exam results in June.

This week learning has been transformed in Secondary. All students in Year 7 have been issued with their own Surface Pro's, E Stylus and Headphones, this will supplement current learning resources and will develop independence and enquiry in our students.

It was excellent to meet the chair of the PTA last week and I am thrilled that for the remaining half term there is a packed calendar of events. More information will be issued after half term. Thank you to parents and staff who are supporting our non-uniform day today. The funds collected will be donated to the PTA to help with their start up fund.

We look forward to meeting and welcoming our new parents and children starting September 2016. New reception parents join us for an information evening on 9th June at 6pm and New Year 7 pupils have a full day in school on the 6th July followed by a parental information evening on the same day. The secondary team are visiting Primary Schools for transition and induction information.

In response to a large waiting list for our current year 4, we are pleased to tell you we are opening an additional year 5 class in September 2016. After allocation of places on the waiting list, there are a small number of places still available in this year group. If you are interested please apply through Coventry City Council Admissions and we welcome you visiting the school. There are a small number of places available in Secondary for Year 8 from September 2016. Please contact the school if you are interested.

For admissions for September 2017, please see our website for the policies and procedures for application. We have organised two open days and evenings. On the 22nd June we welcome prospective Primary 2017 admissions and on the 23rd June, we welcome prospective Secondary 2017 admissions. More information will be available on our website.

Following our request from local businesses to contact as sponsors for Seva School, we are pleased to announce, Living Well Hilton Hotels are sponsoring our sport and fitness enrichment activities. If you are interested in sponsoring or volunteering at Seva School, please contact the school.

I wish you all a good bank holiday and we welcome the children back on Tuesday 7th June 2016.

Thank You

Behaviour for learning

47 incidents recorded in 2 weeks

Seva Studies

The focus for this half term has been Forgiveness linked to courage.

Dhan Guru Amardas Ji Paana 653

[Aapae saevaa laaeian aapae bakhas karaee ||](#)

He Himself enjoins us to serve Him, and He Himself blesses us with forgiveness.

Sabhanaa kaa maa pio aap hai aapae saar karaee ||

He Himself is the father and mother of all; He Himself cares for us.

Surface Books

On Tuesday of this this week all year 7 students were issued with a surface book; an exciting prospect that I know the students have been eagerly awaiting. However, with this comes responsibility; systems have been put in place that safeguards the students, therefore may I remind you to check the acceptable user policy that is at the back of your child's planner.

Furthermore, carrying £300 worth of equipment is a huge responsibility and there are also systems in place to help prevent any unwanted damage. To personalise and protect their own surface book, students have been encouraged to purchase a cover.

Exams

Revision planners should now be complete and newly armed with a variety of revision strategies. Exam preparation can start in earnest. Make sure you build in treats during half term to make the week a little more pleasant.

Reading Group

Many congratulations to our students who have completed half a term of literacy provision to raise their attainment; they have worked extremely hard and have made lots of progress. As a special thank you, the group were invited down for a light lunch with staff to congratulate them for all of their achievements.

New Year 7

Plans are underway to welcome a new cohort of year 7 and students will be playing an active role to help make transitions from Primary to Seva a very positive experience.

Celebration Evening

Save the date! - Monday 14th July 6:00 to 7:30

I thought it would be nice to invite you to a Celebration Evening to acknowledge the hard work that has been achieved by year 7 this year.
