### Executive Principal's Message

Dear Parents/Carers

As the end of the Summer term rapidly approaches we have a full program of events to celebrate our achievements and accomplishments this year.

It was lovely to see year 7 excited at the prospect of visiting Warwick Castle and even more so on their return!! They had a wonderful day, with the weather on our side. We look forward to planning more events further afield.

The school is entering a phase of redevelopment, both internally and externally during the summer break. We look forward to a phased development of external facilities during the summer and next academic year. Our priority is to ensure EYFS have outstanding external learning through play facilities.

I would like to pass on my gratitude on behalf of the school, to those members of the PTA who have contributed significantly to our inaugural Summer Fayre.

Kind Regards  
**Mrs P Hammond**

## **End of year reports – week beginning 11<sup>th</sup> July**

Your child will shortly be receiving their end of term report, please can I encourage you to look in their books to check their flight paths. One has been created for every subject giving a clear indication of where they are currently and how they will progress towards GCSEs. Although not definitive, each flight path has been personally tailored towards the attainment of each student and offers a clear vision of individual pupil progression.

### **Warwick Castle**

Warwick Castle was a great success and I'd like to take this opportunity to thank the students for their responsible behaviour and the parents for contributing to the trip. Year 7 thoroughly enjoyed themselves and the dungeon tour was not to be screamed at! Year 7 proved that they were great ambassadors of Seva school and staff were very impressed with their maturity and conduct.

Well done year 7!

*Priya and Parampreet enjoyed the views.*

*Amrita, Simran and Navkismat had fun.*

*Is Suckhraj holding a light sabre and is Tajinder lost?*

## **Celebration Evening - Thursday 14<sup>th</sup> July 6:00-7:00**

Thank you very much to parents who have returned the reply slips for the celebration evening on Thursday 14<sup>th</sup> July. The evening will focus on the successes and achievements of year 7 and will be a thoroughly enjoyable evening. We look forward to seeing you there.

### **Watches**

Please can we advise that you purchase a watch for your child. It became apparent on the trip that many students did not have one and were frequently asking for the time. Watches are important as they allow students to manage their time effectively; this is especially important when they are in exams. Mrs Waddingham spoke about this during the Doodle evening and we feel as a school that a watch will really benefit your child.

### **Behaviour for learning**

## Finally...

### **Well done Ladies!**

Seva staff did us proud on Saturday 25th July, when they took part in the Breast Cancer 5km run at Stonely Park. Mrs Amrit Kaur, Mrs Sonia Kaur, Miss Sam Pickstcok, Miss Kirpal Kaur, Miss Kerren Nijjar and Mrs Maureen Lukong have raised nearly £1,000 for this very worthwhile cause. They would like to say a big thank you to all the parents from our school who have supported them in this event.

### **From the students:**

- We found exam week tough, but feel it has helped us with our revision and concentration levels.
- We are excited about meeting the new year 7 students and will work really hard to make them feel welcome.
- Warwick Castle was fantastic, especially the dungeon tour. Thank you for letting us go.
