# 1 Introduction

1.1. This policy is an addendum to the school's main Safeguarding and Child Protection Policy and is intended for use during the COVID-19 emergency period only.

1.2 We continue to recognise that safeguarding and child protection is an essential part of our duty of care to all students and that we have a responsibility to safeguard children, whether they are on-site or staying at home. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We continue to promote a culture of vigilance, where staff and volunteers act immediately if they have safeguarding concerns about a child. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

1.3 Due to the nature of the emergency we are facing and the changing threat from COVID-19, this policy is regularly reviewed and updated to ensure that the school is compliant with;

- All relevant legislation and statutory guidance;
- government guidance relating to the COVID-19 outbreak; and
- guidance from the Coventry Safeguarding Children's Partnership (the Local Authority, the local clinical commissioning group and the chief office of police).

1.3 All staff will be made aware of this policy and updated regularly on further developments.

1.4 Further information about the government's approach to COVID-19 can be found here:

<https://www.gov.uk/coronavirus>

1.5 The purpose of this policy is to;

- Promote safeguarding and child protection and demonstrate the school's commitment to keeping children safe whilst operating under emergency measures related to COVID-19;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm during this time;
- Provide stakeholders with clear information relating to the school's safeguarding and child protection procedures during the COVID-19 outbreak; and
- Ensure that children are protected from maltreatment or harm.

1.5 Seva School is committed to the following principles at all times;

- All children have the right to be protected from harm;
- The best interests of children will always continue to come first;
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm;
- If anyone in school has a safeguarding concern about any child they should continue to follow usual procedures and must act and act immediately;
- A Designated Safeguarding Lead or a Deputy Safeguarding Lead should be available; and
- Working with other agencies (such as Children's Services and the Virtual School) is essential to promote safeguarding and protect children from harm.

1.6 We continue to be subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism and will refer to appropriate services if we are concerned a child is being radicalised.

1.7 We continue to fulfil our duties under Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015.

## 1.8 Scope

- This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Seva School and Sevak Education Trust All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.
- This policy applies to all staff, whether working on-site or at home.

## 2 Context

2.1 Following government guidance, the school has been closed to pupils from Monday 23rd March 2020, with the exception of children deemed to be 'vulnerable', or those that with parent/s who are 'key-workers'.

2.3 The school adheres to government guidance on 'key workers'. For further information relating to key workers, see guidance here: <https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

2.4 The school remains open for children who are deemed to be vulnerable, as per government guidance. The school has given careful consideration to which children need to continue to attend school, in order to ensure children are safe and to minimise the spread of COVID-19.

2.5 Each child has been considered on a case-by-case basis and an assessment of risk has been made, with relevant external agencies, parents and the Local Authority, to decide if a child should be on site or not. The school considers children to be vulnerable and may need to attend if they are;

- Children on Child Protection Plans; Children in Need; Looked-After or Previously Looked-After; and
- Children with SEND (with or without an EHCP), who would be safer at school than at home.

2.6 Children other than those above may be considered vulnerable and some children will become vulnerable during the time that the school is partially closed. The school will continually review which children will attend school, in line with local and governmental guidance.

2.7 Additional support may be put in place to safeguard;

- Children vulnerable to CE/Contextual safeguarding issues and those in receipt of early help; and
- Children who are homeless/living in temporary accommodation, refugees and asylum seekers and young carers.

2.7 There is an expectation that children who have a social worker will continue to attend school, unless they have an underlying health condition or concern that will put them at severe risk.

2.8 Where parents of the children referred to in paragraph 2.7 are concerned about the risk of the child contracting COVID-19, Seva School in partnership with the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

2.9 The school will follow government guidance to support children who are usually in receipt of free school meals. Further information can be found on this here:

<https://www.gov.uk/government/publications/covid-19-free-school-meals-guidance/covid-19-free-school-meals-guidance-for-schools> and our school's website for our voucher service to all those eligible.

2.10 Some children will have existing vulnerabilities and will not attend school. In the case of these children, the school will make twice weekly and weekly phone calls to the families. In more serious cases daily phone calls will be made by the DSL or SENDCo as appropriate.

2.11 All children (regardless of vulnerability) will be contacted via Seva School's Ms Teams, website, text messaging service, school email and arrangements with a local post office.

## 3 Local Safeguarding Arrangements

3.1 The school will ensure that it is aware of any changes to local safeguarding arrangements through existing channels of communication with the Local Authority and the wider Coventry & Warwickshire Safeguarding Children Partnership.

3.2 The school continues to operate under Coventry Safeguarding Partnership policies and continues to use the '[Right Help Right Time](#)' guidance when considering if children require additional support or statutory intervention.

3.3 This policy will be regularly reviewed and updated to reflect any changes in local safeguarding arrangements.

## **4 Roles and Responsibilities**

### **4.1 The Governing Body and/or Proprietors**

4.1.1 The governing body continues to monitor the school during this period of emergency closure. Governors will continue to have oversight of leadership in the school. Governor meetings will be carried out via call and video conferencing

### **4.2 The Role of the Head of school**

#### **4.2.1 The Head of School will;**

- Ensure that this policy is regularly updated in line with evolving government and local guidance relating to COVID-19;
- Ensure that this policy and associated procedures are adhered to by all staff;
- Ensure that all adults coming into contact with children at school have been subject to the appropriate safer recruitment checks;
- Respond to allegations of abuse against all other members of staff; and
- Ensure that staff on-site and off-site have regularly updated training to ensure that they are aware of local safeguarding arrangements.

4.2.2 In the event that the headteacher is unavailable either on-site or remotely, the above responsibilities will be completed by the senior leadership team.

### **4.3 The Role of the Designated Safeguarding Lead (DSL)**

4.3.1 The role of the DSL is outlined in the main school Safeguarding and Child Protection Policy and in [Keeping Children Safe in Education \(2019\)](#).

4.3.2 In addition to their usual duties, the DSL will also have regard to the additional mental health issues that pupils on-site may be experiencing as a result of COVID-19 and provide/arrange support for pupils as necessary.

4.3.3 Wherever possible, a trained DSL (or deputy DSL) will be available on site. Where this is not possible due to staff self-isolation, a trained DSL (or deputy DSL) will be available to be contacted via phone or online video.

4.3.4 In the event that the DSL and the DSL/s are unable to work remotely due to illness, an appropriate senior leader will take responsibility for co-ordinating safeguarding on site. This could include, but is not limited to, updating and managing access to safeguarding and child protection files and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at Seva School. Information will be passed to the DSL as soon as practicably possible.

4.3.5 Arrangements for contacting the DSL/DDSLs will be shared with staff at least a day in advance of them being on site or off site via the staff rota

4.3.6 The government has acknowledged that DSL refresher training is very unlikely to take place during this emergency. All DSLs and DDSLs that have previously been trained will continue to be classed as DSLs even if they miss their refresher training, in line with current government guidance. All DSLs and DDSLs will keep up to date with the latest safeguarding information and guidance through via e-bulletins, Local Authority e-bulletins and taking time to read and digest safeguarding developments.

### **4.4 The Role & Responsibilities of all Staff within School**

4.4.1 All staff, whether on-site or working from home, will;

- continue to operate under the principles of the main school Safeguarding and Child Protection Policy, the revised staff Code of Conduct, all relevant legislation and statutory guidance and continue to have particular regard to Keeping Children Safe in Education (2019);
- will continue to promote a culture of vigilance and refer all safeguarding concerns to the appropriate person immediately through CPOMs in the first instance;
- adhere to all government, local and school advice relating to hygiene including hand washing and social distancing, response to COVID-19 symptoms and self-isolation;
- seek advice from the Designated Safeguarding Lead if they are unsure; and
- All teachers should safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012).

## 5 Responding to signs of abuse

5.1 Information relating to types of abuse and signs and symptoms of abuse can be found in Seva School's main safeguarding and child protection policy and [Working Together to Safeguard Children \(2018\)](#).

5.2 All staff and volunteers will continue to be alert to indicators of abuse and will report any concerns to the appropriate member of staff immediately via CPOMS in the first instance.

5.3 If a member of staff, parent/carer or member of the public is concerned about a child's welfare (whether they are attending school or not), they should report it to the designated safeguarding lead as soon as possible on the school's CPOMS reporting system in the first instance. If the designated safeguarding lead or deputy safeguarding lead do not reply via CPOMS a phone call can be made to the DSL or DDSL on the numbers listed below. Although any member of staff can make a referral to Children's Social Care, where possible there should be a conversation with the Designated Safeguarding Lead first. At Seva School this will be:

1) B. Sturmeay 07934 917987

2) S. Alcock 07565 753742

3) S. Sanghera 07803 416943

4) K. Miller 07513 278346 EHCP & SEND Pupils

5.4 Most children are not currently attending school. The school recognises that children who are not attending school may need to make a disclosure or want to seek help from a trusted member of staff. They can do this through contacting their form and class teachers through either Ms Teams or email. We have advertised information on our newsletter and website to signpost pupils to sources of support including Child line. Details of school mobile phone contacts of the school's DSLs and SENDCo have been sent individually to all known Vulnerable, SEND and EHAC pupils. A generic version of this is has been sent to all students. See version of generic and specific Worry Card sent to pupils in Appendix D

5.5 If anyone other than the Designated Safeguarding Lead makes a referral to children's social care or to the police, they should inform the DSL as soon as possible.

5.6 If the school is concerned that a child is at risk of significant harm, we will seek advice from Coventry's Multi-Agency Safeguarding Hub (MASH) and make a referral to this service if necessary. Coventry's and Warwickshire's MASH continues to be fully functional in terms of its safeguarding responsibilities.

5.7 Referrals to the Multi-Agency Safeguarding Hub can and should still be made for children at risk of harm using the online Multi-Agency Referral Form (MARF).

**MASH Telephone number:** 02476 788 555

**MASH online referral form:** <http://www.coventry.gov.uk/safeguardingchildren>

**Out of hours Emergency Duty Team:** 02476 832 222

**Prevent/Channel Referrals:** Refer to MASH ([mash@coventry.gov.uk](mailto:mash@coventry.gov.uk)) and to [CTU\\_GATEWAY@west-midlands.pnn.police.uk](mailto:CTU_GATEWAY@west-midlands.pnn.police.uk)

5.8 The school will continue to receive Operation Encompass reports as long as the police have capacity to offer this service. The school will risk assess each report on a case-by-case basis and continue to operate as usual in response to reports, unless instructed otherwise by the police or Local Authority. This information will be recorded on the child's safeguarding and child protection record as usual. This is constantly under review and the school is being regularly updated on any changes by the local Operation Encompass Co-ordinator.

5.9 All services are under increased pressure during this period of emergency. However, the school recognises that safeguarding continues to be of paramount importance and will work with other agencies in order to ensure children are safe. If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the [Coventry Safeguarding Children Partnership's Escalation and Resolution of Professional Disagreements policy](#) to ensure that our concerns have been addressed and that the situation improves for the child.

## 6 Peer on Peer Abuse

6.1 Seva School understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

6.2 During this time, staff will continue to be vigilant in reporting any concerns relating to peer on peer abuse to the DSL via CPOMs in the first instance.

6.3 In recent whole staff meetings and small group training sessions staff have had information relayed to them about peer on peer abuse. Messages on Ms Teams are monitored daily by class/form teachers and then senior leads

6.4 The school's revised approach to peer on peer abuse is informed by the principles set out in Part 5 of Keeping Children Safe in Education (2019).

## 7 Online Safety

7.1 The school recognises that children both on-site and off-site are vulnerable to abuse and radicalisation online. Children who are at home may be spending more time online and this increases their vulnerability.

7.2 Seva School recognises that additional safeguarding arrangements are required to ensure that children are safe online at this time.

7.3 Governors will review arrangements to ensure that they continue to be appropriate.

7.4 Online activity in school will continued to be monitored through our usual IT monitoring systems.

- Online activity is monitored within school using IMPERO. In cases where any inappropriate or concerning materials is accessed an alert is sent to the designated member of the DSL team to follow up.
- Where they feel it is a safeguarding concern this is recorded on CPOMS and assigned to the relevant member of the DSL team within school to follow up.
- Where the incident is of a behavioural nature, and not a safeguarding matter, the designated DSL will inform the Head of Year who will discuss this with the student and inform parents where appropriate.
- Should the initial person receiving the alerts become incapacitated the alerts will be forwarded to another member of the DSL team and the procedure outlined above followed.

7.5 Children who are not attending school

- All students have undertaken online safety workshops with regular assemblies taking place to reinforce this.
- In key phases all students study Computing – a core component of the course is online safety and keeping yourself protected when online.
- Information is shared with parents through the weekly newsletter and letters sent home regarding keeping their children safe online at home and regularly monitoring what their child is doing online.
- Parents are provided with information from their ISP's on the use of parental settings to keep their children safe online
- Should a parent have questions they are able to email the school IT helpdesk [helpdesk@seva.coventry.sch.uk](mailto:helpdesk@seva.coventry.sch.uk) where support is available on keeping their children safe online.
- Should a child have a concern they are able to contact staff via the school emailing system in order to report anything they are concerned about regarding the use of the internet. (Class Teacher, Form tutor, HOY, DSL) Additionally all students are provided with a 'worry card' which provides contact details to a number of agencies designed to support children. (Child line, Family Information Services etc.) See Appendix D
- No personal details are shared when corresponding with students at home. Any requests must come from parents and legal guardians.
- Ms Teams is GDPR compliant as it is secure and can only be accessed via an individual login. Additionally; no personal data is shared on this platform, any comments made are

regarding student work and staff are able to give individual feedback to a student through the use of Assignments rather than in the open class forum. Any contact with home is only be made using official school email accounts or school mobile phones. The latter are for DSL, SENDCo and Staff Absence line only.

7.7 We have reviewed the staff Code of Conduct and information sharing policy to reflect the current change in circumstances and increased use of technology.

7.8 Staff have received training on the new and updated Code of Conduct remotely.

7.9 A list of useful sources of information relating to online safety is including in Appendix B of this policy.

## **8 Record-keeping**

8.1 A written record on CPOMs of all safeguarding and/or child protection concerns, discussions and decisions made will continue to be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

8.2 Seva School keeps all safeguarding files electronically, using a system called CPOMs. All staff have been trained and have access to CPOMs.

## **9 Attendance**

9.1 The school adheres to government guidance, which states that parents should keep their children at home, wherever possible, and that schools, colleges and early years settings should remain open only for children of critical workers and those deemed to be vulnerable, as outlined in Section 2 of this policy.

9.2 As such, Seva School will not be following our usual attendance procedures and non-attendance will not be managed in the way that it normally would and children should not attend unless there is an agreement with the school.

9.3 The school will work with families and social workers to agree whether children should attend school or not. If it is agreed that a child should attend and they do not, the school will follow this up with parents/carers.

9.4 The school will follow up with any parent or carer who has arranged care for their children and the children subsequently do not attend.

9.5 If children who should be attending school develop symptoms, they will be asked to remain at home. In the event that this happens, we will make daily phone calls and after 5 days of no answer seek advice from MASH; after 10 days complete a CMiE form.

9.6 The school will take the opportunity when communicating with parents and carers to confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

9.7 In all circumstances where a vulnerable child does not take up their place at the school, or discontinues, we will notify their social worker.

9.8 Some children may have existing vulnerabilities but will not attend school (those with underlying health conditions, for example). In this case, the school will have risk assessed the concerns and used this to inform contact arrangements with the SENDCo

9.9 The school will record pupil daily attendance using the attendance tracker provided by the LA and government, rather than our usual attendance tracking systems and in school daily on Microsoft Forms linked to Ms Teams.

## **10 Children attending Alternative Provision**

*(10.1 Insert your procedures for ensuring that children at alternative provision are safeguarded appropriately or remove if irrelevant. NA)*

## 11 Children from other schools – Not applicable

## 12 Safer Recruitment

12.1 Seva School is committed to providing children with a safe environment. We take safer recruitment very seriously and all staff and volunteers are subject to the necessary checks.

12.2 There are no circumstances in which a child or children will be unsupervised with an adult who has not been subject to all necessary safer recruitment checks. Any new members of staff, new volunteers or existing volunteers taking on new roles will be subject to all necessary safer recruitment check and this will be recorded on the Single Central Record.

12.3 Our safer recruitment practices strictly adhere to Keeping Children Safe in Education (2019).

12.5 If a member of staff or volunteer with a DBS check from a childcare setting, another school or another college temporarily moves to Seva School, a risk assessment will be completed to ascertain if a new DBS check is required before they work in regulated activity. The school will follow guidance set out in [Coronavirus \(COVID-19\): safeguarding in schools, colleges and other providers \(27<sup>th</sup> March 2020\)](#).

12.6 Any members of staff or volunteers transferring from another childcare or education setting will undergo induction training and we will seek evidence from their main setting that the member of staff has completed relevant safeguarding training in line with other similar staff or volunteers and they have read Part I and Annex A of Keeping Children Safe in Education.

## 13 Allegations of abuse against staff

13.1 Seva school takes all allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (**September 2019**) and the **CSCP Guidance, 'Allegations against Staff and Persons in a Position of Trust'**.

13.2 If a concern or allegation of abuse arises against the Head of School, it must be reported to the Chair of Governors without delay. In the event that the Chair of Governors is unavailable due to illness or other circumstance, concern must be reported to LADO Mark Goddard Telephone number: 02476 975 483

13.3 If a concern or allegation of abuse arises against any member of staff other than that of the Head of School, it must be reported to the Head of School without delay. In the event that the Head of School is unavailable due to illness or other circumstance, concern must be reported to Head of Primary or Head of Secondary

13.4 Allegations of abuse against staff should be not discussed directly with the person involved.

13.5 The Headteacher or Chair of Governors should consider if the allegation meets the threshold for Local Designated Officer (LADO) intervention. The LADO is operating as usual and referrals must be made through the online referral form here:

[https://www.coventry.gov.uk/info/206/coventry\\_safeguarding\\_children\\_partnership/2628/local\\_authority\\_designated\\_officer\\_lado](https://www.coventry.gov.uk/info/206/coventry_safeguarding_children_partnership/2628/local_authority_designated_officer_lado)

13.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

13.7 If a child has suffered, or it is suspected that they have suffered, abuse or harm, a MASH referral will also be made.

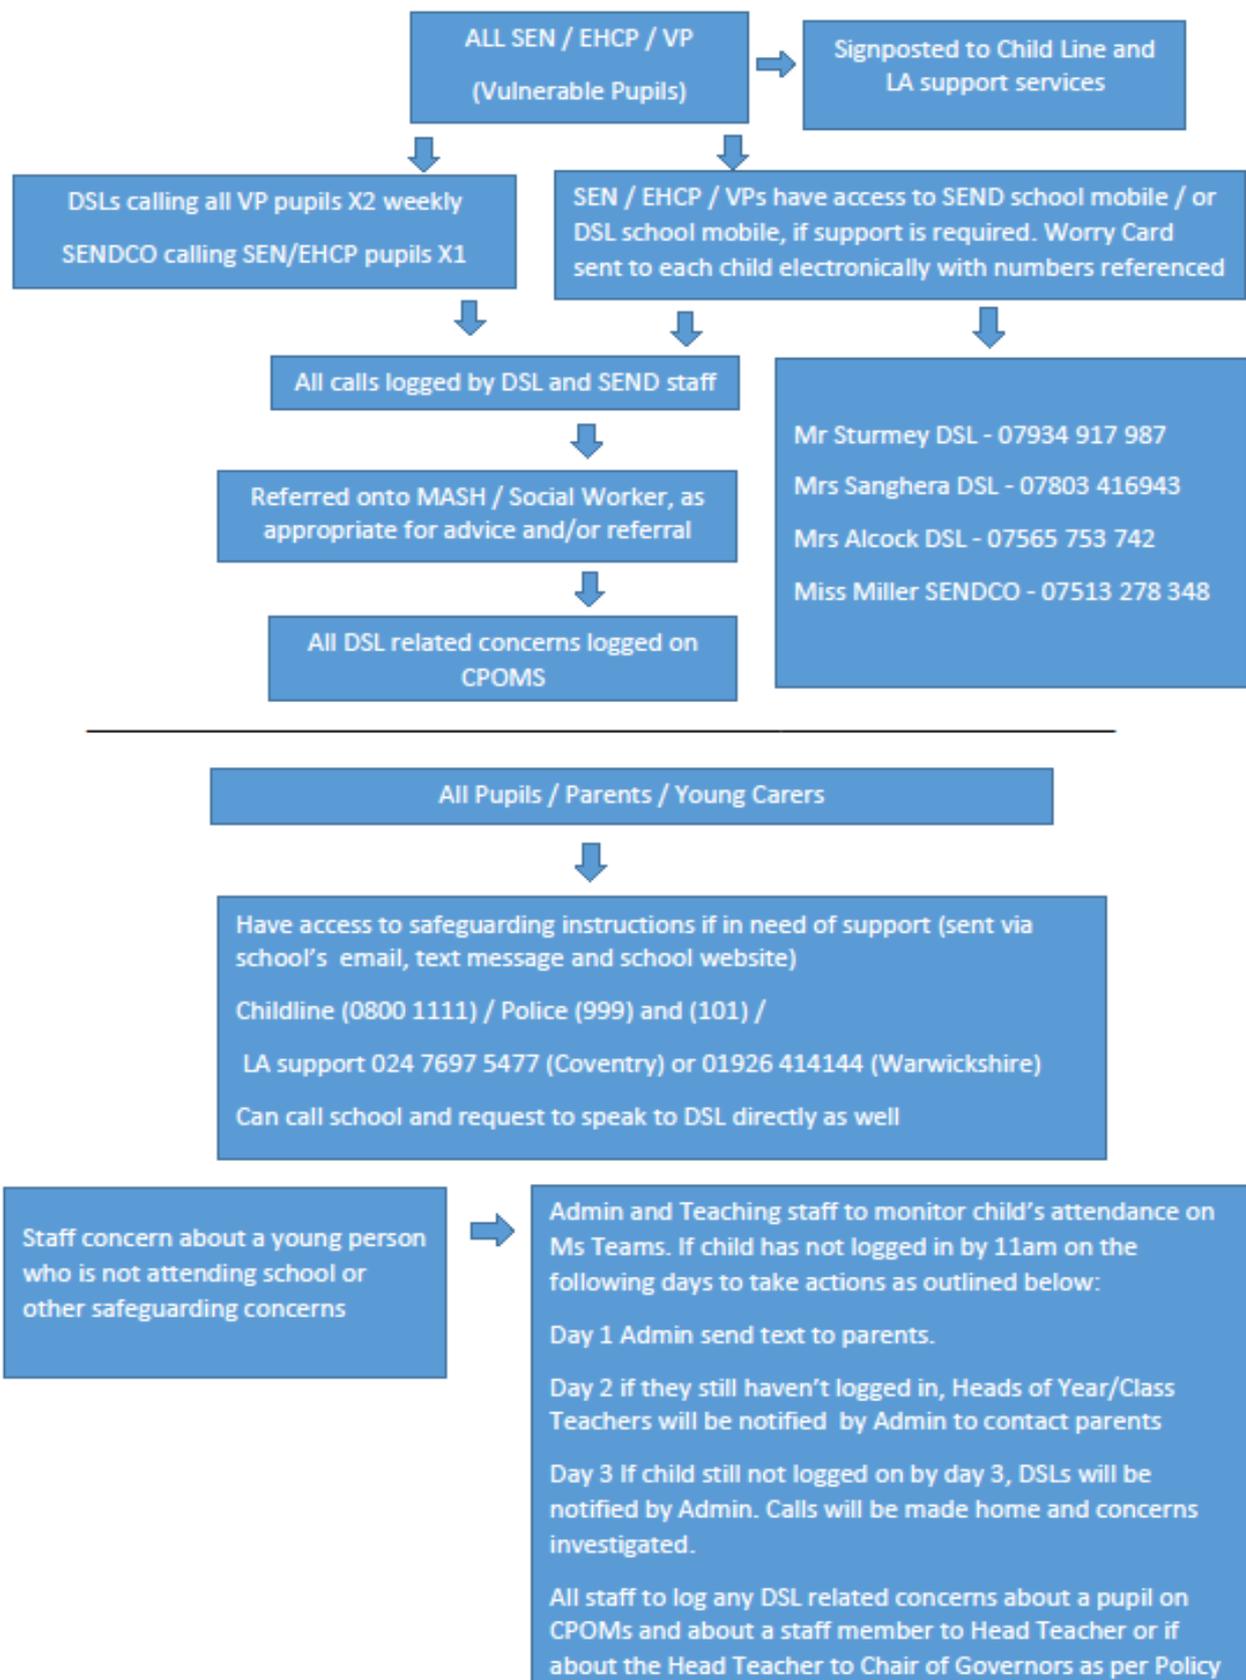

13.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Seva School in managing the allegation. This service is will still be provided throughout this period of emergency.

13.9 The procedure for whistleblowing is outlined in the school's main Safeguarding and Child Protection Policy.

## 14 Policy Review

14.1 This policy is a dynamic document and will be updated regularly as further government and local guidance is published.
