Impero is used as the school’s filtering and monitoring system at school and any misuse will be reported and shared with your class and form tutors. ▪ Matters regarding misuse of personal email or internet use outside of school hours will be dealt with via the appropriate external authorities. ▪ Promote and respect the 5 key principles of outstanding behaviour and attitudes known as the 5 Ps at Seva School: <ul style="list-style-type: none"> • Punctual • Polite • Prepared • Presentable • Positive
---	--	---

At Seva School we value the active support of all parents. We ask you to sign the home school agreement as your son/daughter starts their school career with us. The agreement forms the basis of our working relationship with you the parent or carer and ensures both school and families understand the expectations that we need to have of each other. The agreement outlines the main ways in which the school will support each student and the ways in which each family can work and assist us in this process. It outlines what you can expect from us. Within this agreement are the ways in which students can use information and communication technology to improve their learning. It sets out the responsibilities that staff, students and their families have in relation to the responsible use of ICT equipment and in particular the use of the internet.
