SECONDARY NEWS

Last week, eight incredibly brave Year 10 pupils (Raman, Harveen, Lerato, Alexia, Savneet, Elena, Tanbir and Sanmeet – the first year with all girls) competed in the Speak Out Challenge Assembly Finals in front of Year 7 and the Secondary English Department. They delivered fantastic speeches which highlighted key issues personal to them and showcased just how much their confidence has increased whilst on the Speak Out journey. A huge well done to all pupils - they should all be incredibly proud of themselves for their courage, resilience and perseverance.

It was the first year that votes cast by the audience were evenly split amongst all finalists which meant it was even harder to decide who would go through to the closed Semi-Finals. After much deliberation, Harveen was chosen as reserve/second place and Raman was chosen as the winner of the Assembly Finals and will go through to the next round. Good luck Raman, we hope you make it to the Grand Finals in June.

SECONDARY NEWS

On Thursday 21st March, we took our year 11 Geographers to Coventry City Centre. It is a challenge to approach members of the public, but we are so proud to say our cohort stepped up to the challenge. Students quickly went off in pairs and began to approach people with confidence. One lady got stopped by 5 different groups, but our students were so polite that she couldn't refuse! Every pair got their surveys done and we left Coventry with a new confidence and more importantly, data.

The next day on Friday 22nd March, we set off to Stourport on Severn. We arrived in the beautiful countryside and made our way to the Field Studies Council centre. The day began with a revision workshop on rivers and real scenarios of flooding risks and river management in the local areas. After this, we set off to a stunning nature site where students got stuck in! They professionally used the equipment to measure the river in different ways and came to their conclusions. The volunteers remarked on how excellent the group conducted themselves and we completely agree. Well done year 11. You did a fantastic job.

TRAFFIC MANAGEMENT PLAN REMINDER

We have received numerous complaints from Denso and the Local Authority, which has resulted in them sending traffic enforcement officers out, this will result in fines being distributed to parents parking incorrectly and not following the temporary traffic management plan in place.

We need all parents to work with us, there is sufficient space on North View, if there is a queue to get into Miri Building then you should park at North View, no parking on yellow lines at all. Those exploiting the plan and entering Miri Building can expect a call from the school.

In the interest of health and safety for all, please support us, to support you in ensuring the traffic management plan is followed at all times.

UNIFORM MATTERS

Only on the days students have PE can they be in school wearing their school PE kits. This does not include branded wear, hoodies or leggings. **In order to maintain the quality of the 3G pitch students using it must wear astro boots, no studs or bladed boots.** The astro boots they wear must be black to keep aligned to our PE uniform expectations. The images below show what the astro boots look like as they have a different grip to usual trainers. If students are not wearing these boots and the correct PE uniform they may be asked to sit out or a call may be made to you to drop the correct PE uniform off. The black astro boots are available to buy in most sports wear shops including Sports Direct.
