Dear Parent/Carer

Our local school-aged immunisation service has been working with NHS England on improving how vaccinations in schools are managed.

As part of this work, the School-Aged Immunisation Service Team will now contact you directly to request consent for vaccinations. The new approach will make it quicker and easier for you to give or refuse consent for vaccinations.

This new process will allow the follow up of uncompleted consent forms to happen automatically if we have not received them.

What we will share with the school-aged immunisation service team

When the School-Aged Immunisation Service Team asks our school for class lists, we will provide email addresses and phone numbers for parents and guardians of children who are eligible for vaccinations. The School-Aged Immunisation Service Team will use these contact details to send consent requests and reminders to parents and guardians.

For further information about the role of the School-Aged Immunisation Service Team in supporting vaccinations.

Keeping your contact details safe

All personal data will be securely stored in line with NHS guidelines. Only the School-Aged Immunisation Service Team will have access to your contact details.

If you have any questions about this change, please contact the School-Aged Immunisation Service team via email Bewise.Immunise@covwarkpt.nhs.uk."

Many thanks for all your support

Kind Regards,
Coventry School-Aged Immunisation Service
