### Principal's Message

Mrs. S. Sanghera

On Thursday, the whole school came out to wave Year 11 students on to commence study leave. It was a very proud moment for all the staff that had taught them throughout the years, especially with most students having started in our primary.

As an all-through school, we are privileged to see students flourish seamlessly through the primary to the secondary phases. They benefit immensely from the sense of knowing the school and staff throughout their learning journey from the ages of 4 to 16.

The next time we see our Year 11s will be on Monday 3rd June in the new build, as they will not only be the first set of students to see the new build, but they will also be the first set of year 11s to sit their GCSE exams there.

We are today officially on the move to the new PIRI Building. Thank you to all the parents for supporting us in this endeavour with the two home-learning days. Trustees, Mr. Heer and Mr. Bisla, and all the staff at SEVA have been working incredibly hard to ensure a seamless transition is achieved to ensure the least amount of disruption and the fastest turnaround for our students and their families. It is at times like this that we appreciate more the ever the importance of coming together and working selflessly for the common good of all.

The PIRI building will open to all students on Tuesday 4th June at 08:30am. Please adhere to the temporary traffic management plan as outlined in this newsletter and in the letter sent home last week, which is also available on our website.

You are all invited to attend our official opening on Friday 21st June (after the GCSE exams have been completed) as per invitation on the following page.

We wish you all a happy and healthy half term.

## UNIFORM MATTERS

Only on the days students have PE can they be in school wearing their school PE kits. This does not include branded wear, hoodies or leggings. **In order to maintain the quality of the 3G pitch students using it must wear astro boots, no studs or bladed boots.** The astro boots they wear must be black to keep aligned to our PE uniform expectations. The images below show what the astro boots look like as they have a different grip to usual trainers. If students are not wearing these boots and the correct PE uniform they may be asked to sit out or a call may be made to you to drop the correct PE uniform off. The black astro boots are available to buy in most sports wear shops including Sports Direct.
