Dear Parent/Carer,

We would like to invite you to a Year 6 SATS Workshop for parents. The event will take place on Monday 3rd March from 3:40pm to 4:10pm in school.

During the workshop, we will share information about the KS2 curriculum and the End of Year 6 expectations. We will share strategies for teaching key skills in Maths and English that are used in school. We believe children learn best when they feel secure and encouraged. We will share tips on practical parenting, which you may find useful to deploy during school term times to best support your child.

You will also be given a pack of activities to share with your child. This is a great opportunity to ask questions and clarify any queries regarding Y6 SATS.

Thank you for your consideration and we hope you find the workshop insightful.

Yours sincerely,

Mrs. L Hall and Mr. G Singh
