

28th October 2024

Dear Parents/Carers,

There has been an application submitted to Coventry City Council to turn Ashford House (the building between Seva School's 2 buildings) into a hospital. Here is the link to the article on Coventry Live if you would like to read it <https://www.coventrytelegraph.net/news/coventry-news/plans-unveiled-new-coventry-hospital-30097655>

We have set up a feedback form for you as parents to share your thoughts, which we will collect and send to Coventry City Council on your behalf. If you would like to complete this form, please follow the link <https://forms.office.com/e/ZS1JipySs9>

We will also send the link to the form in a separate text message.

Some of the views that have already been shared with us are listed below:

- Medical waste, and the chances of this being mismanaged.
- Access, notably if the hospital has emergency vehicles.
- The type of hospital that is being proposed.
- Increase in volume of traffic.
- Pollution.

As you are aware, the space is currently office space and a change of use to a hospital is what is being proposed.

Thank you for your consideration in this matter.

Yours sincerely,

S. Sanghera

Mrs S Sanghera

Principal
